Respected Sir,

Sub: Education Improvement Programme in Ganapavaram Mandal - Request to Consider our Proposal to Empower the school boys and girls through Padala Charitable Trust Projects.

Padala Charitable Trust (PCT) is a non-profit, non-government organization founded and registered in India in 2002. It started off with a primary goal of providing financial help to the economically disabled students who excel in academics and have a strong desire in pursuing higher education, with no bar on their caste, religion or gender. To date, the Trust has awarded **614 scholarships worth Rs. 26,96,926/-** for students under the Educational Scholarship Program.

Ever since I returned to India in 2012 and started involving personally, we have expanded our reach to more needy people through the following major projects.

Project Vaaadhi – An initiative to empower the orphans and abandoned children through education

Project SWECHHA – To Empower the adolescent girls in Menstrual Hygiene and Personal Hygiene

Project SET (*Student Empowerment Training*) – Enlighten the school and college students in terms of life skills, motivation and career guidance

We have been very successful with the above programmes in several schools in East and West Godavari Districts of Andhra Pradesh as well as Mahbubnagar and Kamareddy Districts of Telangana.
